COVID-19 vaccination

## COVID-19 vaccination

### Get vaccinated

**Following vaccines will be offered:**

#### **Covid-19 basis vaccine (Moderna)**

Citizens over 18 years old, who either have one or none vaccination.

#### **Boostervaccine (Moderna's Spikevax)**

Citizens aged 50 or older

Citizens under 50 and are at a higher risk

Healthcare- and nursing staff with close contact with patients at the healthcare system and nursing homes

Pregnant from 1st trimester

Citizens at the above list can receive the booster vaccination, when 3 months have passed after their 2. vaccination.

Citizens who are not included at the above list will not be offered the boostervaccine.

#### **Influenzavaccine**

Citizens aged 65 or older

Citizens under 65 and are at a higher risk

Healthcare- and nursing staff  
Pregnant from 2nd and 3rd trimester
